On an average, how long will the puppy be left alone?
Never, if anything ever comes up we will have a family member take care of him.

Where will the puppy be kept when left alone?
He won't be left alone.

Where will the puppy sleep at night?
Inside our home in a kennel.

Would you like a pet or a show puppy?
A pet.

What sex would you prefer?
Male.

Do you plan on breeding?
No.

Do you have any other animals (please provide info. about any health or aggression issues, training that they have had)?
No other animals.

What is your time frame for getting a puppy?
1-3 months.

Why did you decide this was the breed for you?
My husband and I are wanting a puppy and we both agreed on this type of breed.

How did you hear about our Puppies?
I posted on a pug page on Facebook searching for male fawn pugs in Texas and you commented on my post about your pug page.

Please give us your vet's name and phone number.
We've used Josh Swarb at Out West Veterinary Services for my mother's dogs. His phone number is 432-943-8387. We will be using him as well.
